I acknowledge the following scope of required upgrades (**choose one**)

- ☐ The existing required accessibility features serving the area of work are in conformance with the CBC.
- ☐ Upgrades to the existing condition are proposed to provide full compliance with required accessibility features serving the area of work in conformance with the CBC.
- ☐ The feasibility of the proposed work will be severely impacted if full accessibility compliance is provided. Not all access features will be provided with the proposed scope of work, thus an Unreasonable Hardship determination must be granted. Upgrades will be provided for all features not excepted in the approved Hardship application.
